"The aim of education should be to
teach us how to think than what to think
Its goal should be to improve our minds,
to enable us to think for ourselves than load
the memory with thoughts of other men."

*"Gratitude makes sense of your past, brings peace for today
and creates a vision for tomorrow".*

Our Guiding Principles

Vision

Our vision is to provide the highest quality of education in a safe, secure and nurturing environment to develop our students in to progressive thinkers and lifelong bearers of skills that will prepare them for the challenges of a dynamically changing world.

Mission

Our mission is to provide individual attention and opportunities to foster integrative, innovative and critical thinking in our students so as to make them knowledge seekers. Who attain there maximum potential through an enjoyable learning process.

Aim

At GBMVM school we aim to instill in students the ability and conviction to realize their full potential and excel anywhere in the world. We believe that each child is unique and has infinite potential. We also believe that working in a team towards common goals furthers this potential. Multiple opportunities for students develop distinctive identities as well as help them discover and own their individual roles within the group.

"Failure comes only when we forget our ideals and objectives and principles".

President's Message

Justice N. L. Tibrewal
President - G.B. Modi Vidya Mandir

Our President Justice N.L. Tibrewal is the former Chief Justice of Rajasthan High Court and the Ex. Governor of Rajasthan. He is dedicated and committed to impart quality and excellent education in Jhunjhunu. Under his guidance G.B. Modi Vidya Mandir has been able to achieve great heights of excellence.

I have immense pleasure in welcoming you to G.B. Modi Vidya Mandir a highly progressive and enterprising school dedicated to providing total quality education with special emphasis on traditional values.

The School aims to develop scholarly students with high standard of self-discipline, perseverance and determination to excel in every walk of life, qualities required to meet the challenges of the modern society. The school seeks your utmost co-operation and support at all times to achieve the high standards set.

Besides academic excellence, the School is committed to inculcating in all its students, strong ethical values of integrity, politeness, kindness and respect for elders. I firmly believe that education should foster confidence, discipline, clarity in thought and decision-making ability to set and achieve goals, and above all, social responsibility as a life-long process.

From the Principal's Desk

Dr. Sameer Sharma
Principal

"Education is a shared commitment between dedicated teachers motivated students and enthusiastic parent's with high expectations".

Today the role of a school is not only to pursue academic excellence but also to motivate and empower its students to be life long learners, critical thinkers and productive members of an ever changing global society. More than 25 years back GBMVM pledged to transform education. The school that is being run under the well established Management "Rajputana Siksha Mandal, Mumbai" has earned its own niche not only in Jhunjhunu but across the globe. At GBMVM we provide an atmosphere to our students for multifaceted development, Where children are encouraged to channelize their potential in the pursuit of excellence. This can only be possible in a holistic, student centric environment. The talents skills and abilities of each student need to be identified nurtured and encouraged so that he/she is able to reach greater heights.

I am confident enough that the GB Modians will make them selves stronger day by day, adding a new leaf to the grandeur of the school.

Best Wishes

"The integrity of the upright provides guiding principles that help him to achieve his vision".

Morning Assembly

"Each morning we are born again, what we do today is what matters the most".

School Assemblies serve as a powerful motivator for the entire school. The beginning of a school day can become chaotic and this is where our morning assembly serves an important purpose. By assembling students and teachers in one space before the start of the school day, morning assembly is a powerful way to instill discipline and also to set a joyful and focused tone for the day.

We convey a lot of information including assigning duties to the monitors and prefects and also utilize the assembly to talk about topics such as cleanliness and good manners which need to be reinforced every day.

*"Prayer is the key of the morning and the bolt of the evening
God is the supreme power of the world."*

Resource Centre

The educational resource center is a place that provides the extra academic support students may need to be successful anywhere.

We work with students to encourage the development of the following skill

- ✓ Personality development.
- ✓ Good study habits
- ✓ Note making and listening
- ✓ Time management
- ✓ Test giving strategies
- ✓ Professional development
- ✓ Good writing skills
- ✓ Other academic success opportunities
- ✓ Extra co-curricular activities

A science lab is a work place for the conduct of scientific research. It helps students to remember the concepts better. It helps to transfer the experience to other learning situations. It is a facility that provides controlled conditions in which scientific research, experiments and measurement may be performed.

Science lab equipment allows students to interact directly with the data gathered. They get a first hand learning experience by performing various experiments on their own.

Significance of school laboratory

- ✓ It helps the teacher to introduce variety in to the nature of experiments.
- ✓ The pupil are encouraged to device and prepare apparatus as a hobby.
- ✓ The application of science to everyday life is made more evident.
- ✓ It helps students to develop an interest to learn science.

Laboratories

"The science of today is the technology of tomorrow."

Co-Curricular Activities

Progress of child depends upon the opportunities for all round development according to them, At GBMVM an array of extra curricular and co curricular activities will compliment the academic courses to enrich the life of the school, community and to help the students enhance their personality physically, emotionally and socially.

“ Physical education is given as much importance as academics students are provided ample opportunities to play a wide variety of games.

- ✓ Debates, dramatics, recitations
- ✓ Dance music, art & drawing
- ✓ Social work, disaster management etc.
- ✓ Yoga postures surya namaskar
- ✓ Sports

“Action is the foundational key to all success.”

Academics

The curriculum at GBMVM school is unique in its weave of inventive thinking, multiple intelligences and differentiated learning. We have taken the best practices from both progressive as well as traditional schools and created a curriculum with student achievement in and out of the class room as the primary focus. Our learning programme prepares children for life. It inculcates skills of creative and independent thinking and the ability to view an issue from multiple perspectives.

The school's curricular frame work allows children to continuously engage in learning experiences that encourage inquiry, reflection, communication and application of their learning in wider world situations.

Newsletter of the school is published both reflect the different school activities and achievements of the students and staff provide a platform.

Smart Classes the school provides classes with smart boards and projectors with internet access facility.

"Happiness is a state of activity."

Examination and Promotions

A test or examination is an assessment intended to measure a test-taker's knowledge, skill, aptitude, physical fitness or classification in many other topics. A test may be administered verbally, on paper, on a computer or in a pre determined area that requires a test taker to demonstrate or perform a set of skills.

1. After every lesson a diagnostic test is administered.
2. Besides as per CBSE norms the system of examination consists of four periodic tests (best two) half yearly & Annual exams that in one academic year.
3. Minimum attendance requirement as per CBSE is 75% for being eligible to take Board and Home based Annual Examination.
4. Result declared at the end of the academic year is final and no request for re-examination shall be entertained. No answer sheet of final examinations will be shown or Re-evaluate.
5. Any student found indulging in malpractice or unfair means during the examination is liable to be debarred from further examination. A committee will be appointed in this connection whose decision will be final.
6. Those who lose or damage the progress report shall pay Rs. 100/- for a new report card.
7. Parents/ Guardians shall not make any remark on the progress report besides affixing their signature.
